

ENDEAVOUR PISTOL CLUB INC.

REFERENCES

Due to the change to the Firearms Act October 2003, the NSW Firearms Registry requires all new members joining any approved pistol club to supply two character references.

Therefore, all new members wishing to join Endeavour Pistol Club must accompany their membership form with references from two people who are over 18 years of age, are not members of their immediate family, and have known them for more than two years. Please find below a pre-written reference that you can use or you can attach your references to the EPC membership form.

Please note your membership will not be processed until we receive the two references.

NB: Referee/s may be contacted by an EPC committee member, if necessary.
